Balance	-	1998	-

Brewhouse

Material	Stainless steel Cooper hoods	1998	-
Energy	Steam heated All vessel insulated	1998	-
Operation Mode	Schematic diagram acc. to UL / NEMA	1998	-
Energy Recovery	Vapour condensor	1998	-
Mash-Tun / Wort-Kettle - with external cooker	28 hl max. 20 hl castwort	1998	-
Mash-Tun / Lauter Tun	18 hl / 14 hl mash	1998	-
Whirlpool, stainless steel	20 hl	1998	-
Wort Cooler, (Water / Glycol) - incl. wort aeration	25 hlph	1998	-
Hot Water Tank	40 hl	1998	-
Pumps, Piping and all needed equip.	-	-	-

Whirlpool

Fermentation and Storage Tanks - CCT

Automated Temperature Control	-	1998	-
Cylindroconical Tanks - jacked cooled incl. conus - Stainless Steel	12 x 50 hl (gross) 2.0 bar	1998	-
CIP Plant - 3 x Tanks	each 200 l	1998	-
Accessories and Tools - 2 x Pumps - diverse Hoses - diverse Valves - all needed fittings	-	1998	-

Cylindroconical Tanks

Bright Beer Tanks - BBT

Bright Beer Tanks - jacked cooled - Stainless Steel - all needed fittings	3 x 44 hl (gross) 3.0 bar	1998
--	------------------------------	------

Dispensing Tanks

Dispensing Tanks (vertical) - jacked cooled - Stainless Steel - all needed fittings	4 x 11.5 hl (gross) 3.0 bar	1998
Automated Temperature Control		1998

Bright Beer Tanks

Filtration

Combi Filter - vertical - Kieselgur (6 m ²) - Sheets (18 m ²)	20 hlph	1998
--	---------	------

Needed Equipment and Fittings

Combi Filter

Yeast Propagation Plant

Yeast Propagation Tank - cylindroconical - Stainless Steel - jacked cooled	9 hl (gross)	1998
Automated Temperature Control		1998
Pumps, Fittings and needed Equip.		1998

Utilities

Air Compressor - oilfree - with air chamber (160 l) - with fittings and equipment	5 m ³ ph 6 bar	1998
Refrigeration Plant - Glycol - air-conditioned condensor - ice water pumps	32 kW	1998
